LONDON'S LEY LINES - Pathways of Enlightenment

Not just about ley lines, but a wonderful book for anyone interested in spiritual places and how religions from earliest times have adopted former ancient sites. In particular this well-researched book can give you a guided tour around many of London's lesser-known holy places. Well worth buying and taking walkabout. Fascinating.

Londons Ley Lines Pathways Of Enlightenment [PDF]

The Primary Alignment - The Canterbury Line Set out around London is a geometric pattern that includes triangles and alignments or 'ley lines' that generates London's sacred landscape.. This pattern needs to be understood at a number of levels. The first is based on the major alignment that links the great abbey of Canterbury in the east and Cistercian monastery site of Abbey Dore in the West.

Londons Ley Lines Pathways Of Enlightenment

The topography of ley-lines and buried rivers still feels present beneath the steel and glass surface of London's seemingly endless construction project. Clutching at the pavements we can still feel the bones of the city beneath. The pathway back to occult London can be found in maps crafted by our beloved gothic writers.
