Here, as requested, is my guide. Choice of Rebels: The Aristocratic Theurge Whenever I say, that's a fancy way of saying "pick whatever until the next relevant choice." I'm also not going to tell you what to do romantically, though I note that Breden is probably going to end up dead at the end of this. Likewise, I don't want to tell you what sex you are. ☐ Chapter 0 The ...

One of the innumerable great things about DEX builds is that you have so many varied weapon styles to choose from. In fact, DEX builds benefit from the largest choice of viable weapon options in the game. Some require strength as a side stat to use one-handed, which you should absolutely do for maximum versatility and tactical options.

79 reviews for MarketWatch. 1.7 stars: 'Title says it all. Half of my comments get rejected despite not going against any community guidelines. My opinions are often against what the "popular or right" opinion being offered is, but isn't that the entire point of a public discourse? No, they much more prefer to steer the conversation to suit their narrative, real journalism.'
